

Circuit Teacher Program Guidelines

The Circuit Teacher Program objective is to provide continuing education in quilting to GSQA members and prospective members through traveling teachers. Fees per class are \$25.00 for a GSQA member and \$50.00 for non-members.

GSQA will pay teacher expenses for two classes per guild per year through the Circuit Teacher Program. Additional classes may be scheduled with the teachers as long as the guild understands they are responsible for all the teacher expenses involved for the additional classes.
